# RULES FOR THE USE OF COOKIES

Please note that this statement on the rules for the use of cookies can
continuously updated without notice. Therefore, we definitely recommend that you
familiarized themselves with this statement and its wording regularly.

For a better user experience and full browsing of our website
The website www.npsr.sk with high-quality content uses various cookies.

The current version of this cookie policy statement was issued on July 22, 2022.

# What are cookies?

Cookies are small text files that are placed in your internet browser or device when you visit our
website. These files to the website
they allow information about your visit to be remembered, as a result of which others can
visits to our website will be easier. Unlike the first visit, for example, you will no longer have to
choose your preferred language or other settings that you already have
they chose on the first visit. Of course, you don't have to worry, not through cookies
it is possible to directly identify a specific person.

## Basic distribution of cookies

In general, cookies are divided according to purpose into four categories, namely essential
cookies, functional cookies, analytical cookies and advertising cookies.

**Necessary cookies -** enable the general use of our website and the use of its basic
functions. We can define these basic functions as
security of various areas, online payments, shopping carts and the like. These cookies
they ensure the proper functioning of our website and also have the purpose of increasing user
comfort for a specific visitor. They do not collect any about you
information that could be used for marketing purposes, nor do they remember your browsing
history while using the internet browser.

**Functional cookies** - serve to remember settings and provide services where they are
the goal is to ensure the highest possible comfort when using our website. With the help
of functional cookies, you remember which setting you chose, such as
preferred language. You can also use them to remember whether you are on a previous visit
agreed or disagreed with something on our website, such as confirming the so-called Cookies
Policy. These cookies can also pre-fill your data in various cases
forms, whether e-mail, login or other.

**Analytical (statistical) cookies** - collect data about how you use our website
page. They help us better understand how you use our website and we can also better
adapt our services based on them. Thanks
Analytical cookies allow us to obtain better statistical data on the use of our website
pages. We can find out how many people besides you have visited or left our website, how
many people have viewed several subpages of our website, what user activities
performed and other various information. These cookies do not collect any information, on
on the basis of which it would be possible to identify your identity.

**Advertising (marketing) cookies** - enable the display of targeted advertising on
websites based on how you use your internet browser, what web
the pages you visit and what you search for. These cookies do not identify a specific person in any way
person, but their settings and preferences as an anonymous person using a specific computer.
Advertising cookies are so-called 3rd party cookies, i.e. cookies are stored and processed by another party on the page
entity as the operator of the website. , and over which we have no control.
However, you don't have to worry about any ads obscuring the content of our website.

## Why do we use cookies?

We use cookies to increase the efficiency of your visits to our website
page. We use them to remember your browsing preferences, such as
for example preferred language, weather units and so on. This makes it possible
easier browsing of our site and collecting analytical information, such as the number of visitors
to our website. In the cookie data, which
we process in no way collect your personal data or information.
Only a unique session identifier is stored in them, which allows us to reload the profile
and preferences of a specific user on your next visit to our
website.

**The storage time of cookies**

Individual cookie files can be stored in your internet browser or
devices for various long periods of time. Some types of cookies are deleted immediately after
when you close the Internet browser window and vice versa, others remain saved even after
closing the browser with our website.

**Deleting or rejecting cookies**

Almost all browsers allow you to delete cookies,
possibly refuse. However, we must inform you that in such a case of refusal
or deletion of cookie files, some services provided by us may not function properly.
